Noodles

INSTANT BOWL

Thai-Choice Rice Vermicelli and Rice Noodles are made from Thai white rice flour. Rice Vermicelli is generally healthier than wheat flour noodles as it is gluten free, has no cholesterol and is very low in fat. Rice flour is easily digestible and is non-allergenic. Thai-Choice offers Rice Vermicelli and flat Rice Noodles in various flavours, both in cup and bowl style packaging.

Noodles

NON INSTANT

Bean Vermicelli (Glass Noodles) also called Woon Sen in Thai, is made from mung bean flour. Bean Vermicelli should not be confused with Rice Vermicelli, which is quite different. Bean Vermicelli is classified as a Low Glycemic Diet. They have firmer texture than the rice noodles once softened. These noodles are a favourite ingredient for soups and salads.

Noodles

THAI STIR-FRY NOODLES

Pad Thai is one of the most popular dishes served at Thai restaurants around the world. Thai-Choice Pad Thai Stir-Fry Noodles is a short-cut for making Pad Thai-the delicious Thai style stir-fried rice noodles dish. The sauce is both healthy and delicious because we use sunflower oil as an ingredient, which is both low in saturated fat and cholesterol free. Take good care of your family with the healthy choice of Thai-Choice.
